

I-95 Labor Day Congestion Estimates

I-95 (North of Providence) between Mass State Border and Downtown Providence

I-95 (South of Providence) between Downtown Providence and Route 4

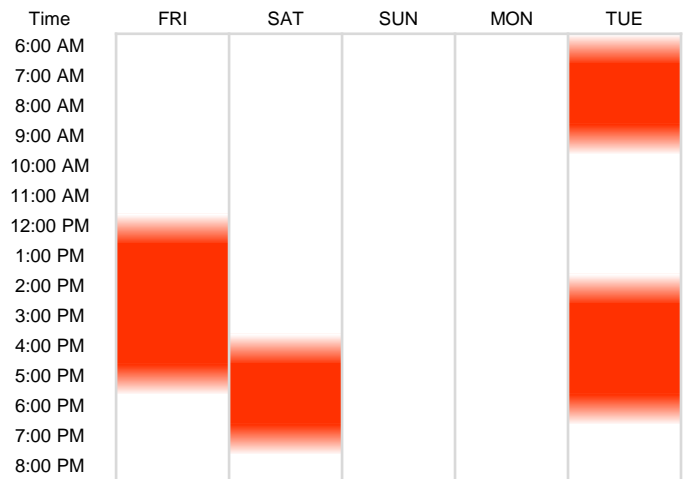

This page provides congestion estimates on I-95 for Labor Day. These charts tell you what times to avoid (in red) when traveling. For example on Friday when traveling northbound towards Massachusetts, expect heavy traffic and delays from 12:30 PM to 5 PM. These estimates are based on data from September 2nd to 7th, 2010. Congestion on Tuesday may not be a result of the holiday. True congestion may vary.
